Planning your trip

ACCOMODATION

We recommend staying in ***Bassano del Grappa city center****. There are lots of hotels and airbnbs in the area. Not everything shows up on booking.com, so it is better to google directly.*

Another option is ***Hotel Glamour*** *(Link) which offers the "CAREZ25" code for the best rates, it is a 5 minute walk fromCa'Rezzonico. But if you are staying for more than 1 night, we recommend finding something in the city center.*

FLYING IN

The most convenient airport to fly into would be Venice (Marco Polo or Treviso airport). This is a 45 minute drive from Bassano del Grappa (with lots to see in between!). If you end up arranging a different airport, you can reach Bassano del Grappa using the regional trains.
